Complete Bathroom Solutions

Founded in 2021, our company is the brainchild of two visionary leaders—Hussain Vohra and Hussaini Diwan—who have combined their expertise to establish a leading Bathware and Sanitaryware wholesale business. Serving over 23 districts in Maharashtra and expanding into select regions of Goa and Karnataka, we have quickly grown into a trusted name in the industry.

Our product offerings include a wide range of premium, branded items from top manufacturers such as Jaquar, Watertec, Prince, Nirali, Jasper and Cera, ensuring that our customers have access to the best quality products available in the market. With over 2200+ products spread across 44+ categories, we cater to a diverse range of customer needs, from large-scale construction projects to small household renovations.

Our success is fueled by the deep experience of our co-founders. Hussain Vohra, a winner of Kaun Banega Crorepati 13, brings a dynamic and fresh perspective to the business. His partner, Hussaini Diwan, boasts over 30 years of business experience and is the founder of 5+ successful ventures, with a presence across India, the Gulf and Europe. An alumnus of IIT Kharagpur, Hussaini's strategic vision has been instrumental in shaping the growth of our company.

As we continue to expand, our focus remains on offering exceptional products and services, fostering long-lasting relationships with our customers and leading the Bathware and Sanitaryware industry with innovation and quality.
